The following documents must be submitted in English by one of the application deadlines on January 31.
Only complete applications will be considered by the IBRA Education Committees.

- Electronically completed application form
- Curriculum Vitae in English
- Relevant information about the congress
- Titel and abstract of the planned presentation(s) or poster
- Written acknowledgement by the scientific committee of the congress, confirming title and date of the presentation(s)

Please note: If the acknowledgement by the congress scientific committee is not available by the time of the scholarship application deadline, you may submit your application without it. In this case, however, we reserve the right to make a final confirmation of funding dependent on the confirmation of the scientific committee of the congress.

Important information

Decisions will be communicated within six weeks after the application deadline.

No reason will be given for rejection of the applicant.

It is the responsibility of the applicant(s) to ensure that all pertinent government and local hospital rules, including approval by the ethics committee, are complied with, if applicable. For animal experiments, the approval of the authorities must be granted, and the experiments should be performed according to the International Standard Organization documented ISO 10993-2. Insurance is the responsibility of the applicant(s).
